

What makes light, heat and forces so important ?

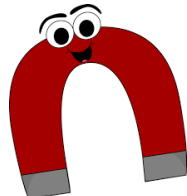

LIGHT

- ◆ Sources of light
- ◆ Day and night (including routines : what do you do in the day and at night?)
- ◆ Colours and mixing colours (rainbows, sign language song, colourful handprints and friendship circle)
- ◆ Bubbles and printing (poems and vocabulary focus)
- ◆ Shadow puppets
- ◆ Animals which come out at night and animals which hibernate

FORCES

- ◆ Wheels and cogs
- ◆ Pushes and pulls
- ◆ Floating and sinking
- ◆ Magnets

HEAT

- ◆ Sources of heat (winter woollies)
- ◆ What keeps us warm?
- ◆ Fire safety
- ◆ Bonfire night
